Responsibilities: Formal teaching and clinical supervision of graduate nursing students. Co-coordinator of the Primary care PNP program. Clinical practice in a pediatric endocrine subspecialty office as a PNP and certified diabetes educator.

Research Interests

Improving the health of children through family- based care
 Dissertation: School-aged Children with Diabetes: The Role of Maternal Self-Efficacy, Environment, and Diabetes Management Behaviors

Grants:

1 T56HP2-653-01-00 (PI: Donna Marvicsin) 09/30/2010-09/29/2014
 \$1,500,000.00

HRSA Health Professions – Nurse Manage Health Clinics Program:
 Expanding a Nurse-Managed Health Clinic to Improve Access to Care and Facilitate Training of the Nurse Practitioner Work Force

1 UD7HP28536-01-00 (PI: Donna Marvicsin) 07/01/2015-06/01/2018
 \$1,500,000.00

HRSA Health Professions – Nurse Education, Practice, Quality and Retention – Interprofessional Collaborative Practice: RN led IPCP Teams

Center for Complexity and Self-management of Chronic Disease 03/26/2016-03/25/2018
 NINR Pilot Project (PI: Donna Marvicsin) \$25,000.00
 Family Routines-Healthy Families

Memberships in Professional Societies

1987-present	Sigma Theta Tau International Nursing Honor Society
1990-1992	Society of Teachers of Family Medicine
1996-present	Pediatric Endocrine Nursing Society
2008-present	National Organization of Nurse-Practitioner Faculty
2008-present	Association of Faculties of Pediatric Nurse Practitioners
2008-present	National Association of Pediatric Nurse Practitioners (NAPNAP)
2010-present	International Family Nursing Association (IFNA)
2013-present	Michigan Chapter NAPNAP, Executive Board member, Secretary 2014-2016; Legislative Representative 2016-2018
2014-present	NAPNAP Research Committee member
2014-present	American Diabetes Association
2016-2018	IFNA Research Committee member
2018-present	IFNA Practice Committee member

Teaching

Undergraduate

09/1992-05/1992	Coordinated, taught and supervised undergraduate nursing students' clinical experience in Fundamental medical/Surgical and OB at Ivy Tech Community College, South Bend, IN
09/2008-12/2012	Course Coordinator for Pediatric courses: generic and second career students, University of Michigan, Ann Arbor, MI

Graduate

07/1990-06/1991	Promoted the training of Family Practice residents in patient education at the Family Practice Residency Program, Memorial Hospital, South Bend, IN
03/1995-11/2002	Promoted the training of Pediatric residents in pediatric endocrinology and diabetes through lecture and case studies at Henry Ford Hospital, Detroit, MI
09/2008-present	Co-coordinator for Infant, Child, and Adolescent Health (ICAH): Wellness course for Family Nurse Practitioner and Pediatric Nurse Practitioner (PNP) students. Coordinator for ICAH Chronic Illness and Models of Advanced Practice courses for PNP students, University of Michigan, Ann Arbor, MI

Committee, Organizational, and Volunteer Service

1990-1991	Patient Education Committee, Family Practice Residency Program, Memorial Hospital, South Bend, IN
1995-2002	Interdisciplinary Diabetes Team Committee, Henry Ford Hospital, Detroit, MI
2000-present	Congregational Nurse Coordinator, First Presbyterian Church, Farmington Hills, MI
2006-2008	Committee for Nursing Research and Scholarship, William Beaumont Hospital, Royal Oak, MI
2012-2019	Michigan Metabolomics and Obesity Center, University of Michigan

2014-present Institute for Health Care Policy & Innovation, University of Michigan

Visiting Professorships, Seminars, and Extramural Invited Presentations

1. Cara, J. & Marvicsin, D. (1996). Interdisciplinary Management of the Newly-Diagnosed Child with Type 1 Diabetes in an Outpatient Setting. Podium presentation at Michigan State University's 2nd Annual Family Practice Residency Program Research Symposium, East Lansing, Michigan.
2. Marvicsin, D. (2004). Children with Type 1 Diabetes: Effect of an Educational Intervention on Improving Diabetes Management Outcomes. Poster presented at Wayne State University College of Nursing Research Day.
3. Vallerand, A., Pittiglio, L., and Marvicsin, D. (2004). The Process of Disclosure Between HIV Positive Mothers and Their Children. Paper presented at the Midwest Nursing Research Society 28th Annual Research Conference, St. Louis, Missouri.
4. Bezaire, D., and Marvicsin D. (2004). Type 2 Diabetes in Children & Adolescents. Local conference presentation at the Regional Pediatric Nurse Leaders Conference, Sterling Heights, Michigan.
5. Marvicsin, D. (2007). School-age Children with Diabetes: The Role of Maternal Self-Efficacy, Environment, and Diabetes Management Behaviors. Poster presented at the Pediatric Endocrine Nursing Society Conference, Portland, Oregon.
6. Marvicsin, D. (2007). Obesity in Children. Workshop presenter at the Fall Training Conference for the Oakland Livingston Human Service Agency.
7. Marvicsin, D. (2008). An Outpatient Program to Prevent Pediatric Obesity. Poster presented at the Pediatric Endocrine Nursing Society, Cincinnati, Ohio.
8. Marvicsin, D. and Clark, K. (2008). Pediatric Endocrine Disorders in the Acute Care Setting. Clinical update presentation at University of Michigan, C.S. Mott Children's Hospital, Ann Arbor, Michigan.
9. Marvicsin, D. (2009). OUCH – Does Needle Size Matter? Poster presented at the Pediatric Endocrine Nursing Society, Newport, Rhode Island.
10. Marvicsin, D. (2009). Prevention of Pediatric Obesity: Curriculum Opportunities. Poster presented at the National Organization of Nurse Practitioner Faculty, Portland, Oregon.
11. Marvicsin, D. (2009). Type 1 Diabetes: Not Child's Play. Presentation for Michigan Organization Diabetes Educators (MODE) and Southeast Michigan Diabetes Outreach Network (SEMDON) Conference, Livonia, Michigan.
12. Marvicsin, D. (2010). Early Intervention to Prevent Childhood Obesity: Educating Parents. Presentation for Michigan Public Health Association, Public Health Nursing Section, Annual Meeting and Program, Ann Arbor, Michigan.
13. Marvicsin, D. (2010). Prevention of Pediatric Obesity: Practice Opportunities. Poster presented at the Michigan Council of Nurse Practitioners, Grand Rapids, Michigan.
14. Marvicsin, D., Danford, C., & Schultz, C. (2011). Parenting Efficacy Related to Childhood Obesity: Comparison of Parent and Child Perceptions. Podium presentation at the International Family Nursing Conference, Kyoto, Japan.
15. Marvicsin, D., Danford, C., & Schultz, C. (2012). Parenting Efficacy Related to Childhood Obesity: Comparison of Parent and Child Perceptions. Podium presentation at the NAPNAP Annual Conference, San Antonio, Texas.
16. Marvicsin, D., Harlow-Rosentraub, K. & Pohl, J. (2013). Implications for Primary Care Services: After hours On Call Findings from two Nurse Managed Health Centers. Poster presented at the Michigan Council of Nurse Practitioners, Lansing, Michigan.

17. Stevens, K. & Marvicsin, D. (2013). Practical evidence-based recommendations for reducing pediatric pain and distress during routine vaccination. Poster presented at the NAPNAP Annual Conference, Orlando, Florida.
18. Marvicsin, D., Eagle, M., Munro, M., Harlow-Rosentraub, K. & Pohl, J. (2014). Lessons learned from examining after-hours call patterns in two nurse-managed health centers. Podium presentation at the National Nurse Center Consortium Annual Conference, Alexandria, Virginia.
19. Craft, M., Dore-Stites, D. & Marvicsin, D. (2015). Health Literacy and Type 1 diabetes: Examining the Adolescent-Parent Dyad. Poster presented at the Michigan Center for Diabetes Translational Research Spring Symposium, Ann Arbor, Michigan.
20. Danford, C., Schultz, C., & Marvicsin, D. (2015). Parental Roles in the Development of Obesity in Children: Challenges and Opportunities. Podium presentation at the International Family Nursing Conference, Odense, Denmark.
21. Marvicsin, D. & Bunker, C. (2017). Family Routines-Healthy Families: Impact of Parenting/Family Routine Intervention on Families of Young Children with Type 1 Diabetes. Poster presented at 12th Annual Children's Hospital of Michigan Nursing Conference, Detroit, Michigan.
22. Marvicsin, D. & Bunker, C. (2018). Family Routines-Healthy Families: Impact of Parenting/Family Routine Intervention on Families of Young Children with Type 1 Diabetes. Poster presented at Michigan Chapter NAPNAP Annual Conference, Novi, Michigan.
23. Marvicsin, D. & Bunker, C. (2018). Family Routines-Healthy Families: Impact of Parenting/Family Routine Intervention on Families of Young Children with Type 1 Diabetes. Poster presented at Pediatric Endocrine Nursing Society Annual Conference, Bonita Springs, Florida.
24. Borri, M. & Marvicsin, D. (2018). From Home to College: Safe Transitions for Adolescents with Type 1 Diabetes. Poster presented at the Pediatric Endocrine Nursing Society Annual Conference, Bonita Springs, Florida.
25. Marvicsin, D. (2018). Impact of Policy on Youth Bullying and Mental Health in Children. Invited speaker for Child Health Policy Committee of the National Association of Pediatric Nurse Practitioners.
26. Marvicsin, D. (2018). The Future of APRN Clinical Education Symposium. Invited speaker for Office of Nursing Policy, Michigan Department of Health and Human Services.
27. Kilanowski, J., Marvicsin, D., Danford, C. et al. (2019). Shooting for the Stars: Practical Tips for Successful Dissemination of Knowledge to Improve Health Care. Presentation at NAPNAP Annual Conference, New Orleans, Louisiana.
